Incident report

Matter	Cycling collision
Client	Omar Hassan
Type / province	Personal injury / British Columbia
Recorded	November 03, 2026
Provided by	Omar Hassan

Reported situation

A driver struck my bicycle at an intersection. I have a police incident number, medical expenses, and correspondence from the insurer.

Record context

Keep the incident details, treatment records, receipts, and insurer correspondence together. Record the incident date and the dates of later expenses separately.
