| Type / province | Contract dispute / British Columbia |
| Recorded | November 03, 2026 |
| Provided by | Lily Zhang |

## Reported situation

A service provider charged a cancellation fee that I cannot find in our signed agreement. I have the contract, invoices, and cancellation emails.

## Record context

Keep the signed terms, accepted scope of work, invoices, payment records, and delivery correspondence together. Record which items were delivered, approved, disputed, or unpaid.
