Incident report

Matter	Personal injury request
Client	Henry Clark
Type / province	Personal injury / Ontario
Recorded	November 05, 2026
Provided by	Henry Clark

Reported situation

I fell on a loose stair in a shared building and injured my ankle. I reported the stair before the fall and have the earlier correspondence.

Record context

Keep the incident details, treatment records, receipts, and insurer correspondence together. Record the incident date and the dates of later expenses separately.
