Invoice

Matter	Software delivery dispute
Client	Amelia Brown
Type / province	Contract dispute / Ontario
Recorded	October 12, 2026
Provided by	Amelia Brown

Reported situation

A software supplier missed the agreed delivery milestones. We have paid the first two invoices and need help reviewing our options under the agreement.

Record context

Keep the signed terms, accepted scope of work, invoices, payment records, and delivery correspondence together. Record which items were delivered, approved, disputed, or unpaid.
